The year end 2019 saw Coronavirus disease (COVID-19). It is an infectious disease caused by the SARS-CoV-2 virus. Most people infected with the virus will experience mild to moderate respiratory illness and recover without requiring special treatment. However, some will become seriously ill and require medical attention. Older people and those with underlying medical conditions like cardiovascular disease, diabetes, chronic respiratory disease, or cancer are more likely to develop serious illness. Anyone can get sick with COVID-19 and become seriously ill or die at any age. The COVID-19 pandemic has affected educational systems worldwide, leading to the near-total closures of schools, universities and colleges. While the entire education system was suffering from the disease, our college and the department of English has tried hard to continue education of the college admitted students via online mode. The department has organized regular classes on Online Mode via Google Classroom, or via Teachmint App. Different what's up group are formed to share information, knowledge and to conduct test online.

**Name of the Event:** *Survey on Social Awareness Of Covid -19  
Among the Students and the Society*

Coronavirus disease (COVID-19) is an infectious disease caused by the SARS-CoV-2 virus which spread in India and Maharashtra Region during March 2020. Lockdown, sanitization and social distancing are keywords of the life. During the crucial period of examination and teaching, Department of English has decided to extend its reach and to propagate the information of virus among the rural area and so conducted a survey on Covid- 19. Dr. Yogesh Kashikar prepared a survey on Social Awareness of Covid -19 among the Students and the Society. A Google form is prepared and the link was sent to different whats up group both students and different stakeholders. It got a good response from not only the students and teachers but different people of the neighborhood area.

The survey got viral very fast and more than 350 students, parents, professors and different stakeholders have participated in it. The survey, with a main objective of creating awareness among the people of the vicinity, has reached to each and every corner of the region and has tried to spread the information about the disease. More than Three Hundred Fifty Students, parents, professors and different stakeholders from Yawatmal, Nagpur, Kalam, Ralegaon, like Chetna Khairkar , Sakshi khairkar, Chetna Gulab Khairkar, Sonu Anantrao Madavi, Samiksha Butle, Tejaswini Nandeshwer, Priyanka Mankar, Pratiksha Dahat, Monali Raut, Rajani Mahajan, Jaya Kale, Pallavi Tirpude, Babita Mundane, Vrushali Mahatma, Mayuri Nimkar, Payal Mahajan, Ku.Namrata A. Prof. Yogesh Kashikar, Head Of English Department strove for the success of the survey.

## **Name of the Event: E-Content Development By The Department**

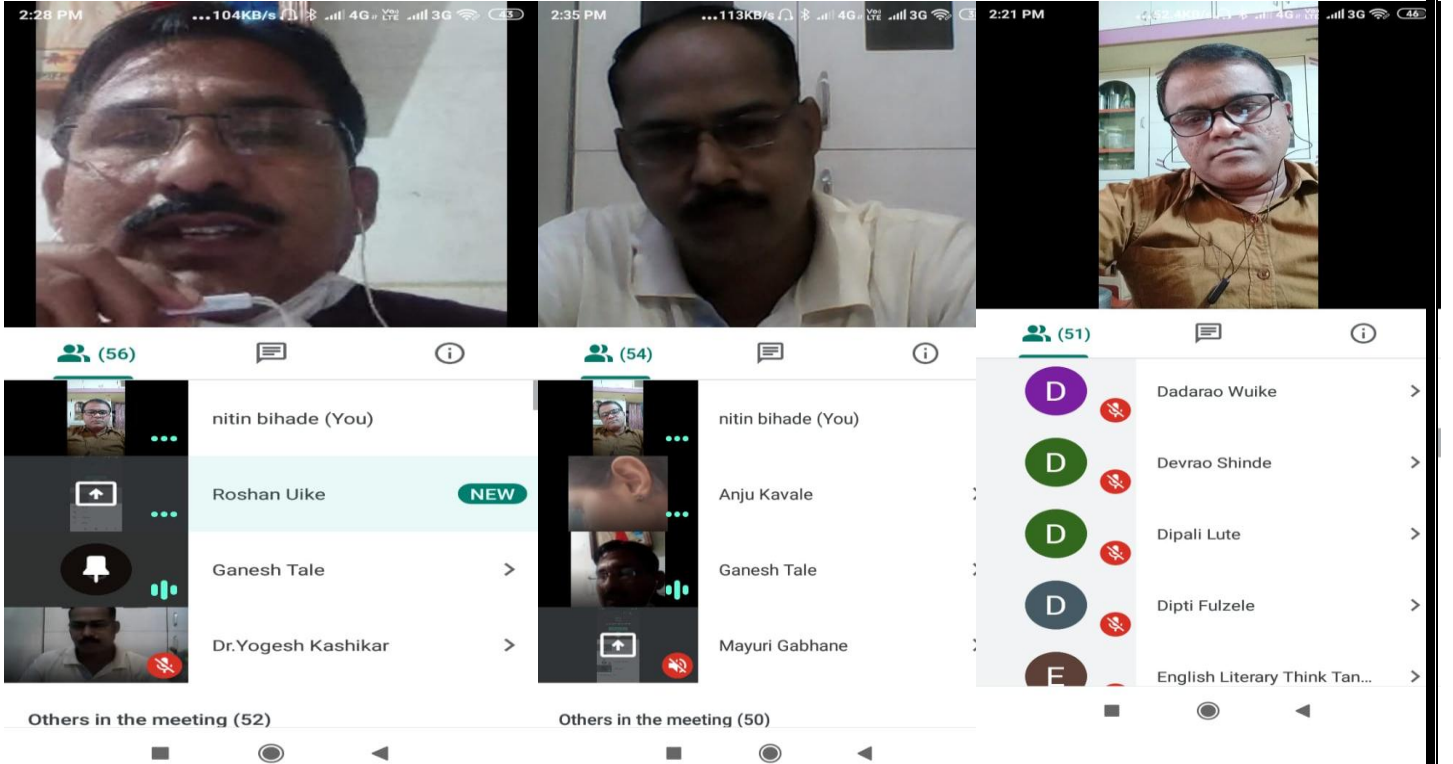

Coronavirus disease (COVID-19) stopped the education in India and Maharashtra Region since March 2020. Lockdown, sanitization and social distancing are keywords of the life. During the crucial period of examination and teaching, Department of English has decided to extend its reach and to propagate the information about English Language, Literature and Criticism among the college admitted students and the lovers of English Literature over the world. So it is decided to create an e-platform for the students to learn. Creation of E-content is the need of the time. So many videos are created and uploaded on Youtube during the period to spread the knowledge to mass level. A channel on Youtube Dr. Yogesh Kashikar (<https://www.youtube.com/channel/UCdYxaIXbv5W8KCKKnWiXTBA>) created on which several videos are being uploaded. Another Channel on Youtube Samruddhi Ade (<https://www.youtube.com/channel/UCCiyuhuQKfQNuKjibTebcew/videos>) are created by Dr. Rajesh Ade on which few videos are being uploaded.
